## PAST PERFORMANCE

### NAVAIR

#### N68335-19-D-0148

This contract was in support of FMS with the manufacture of Munition Transporters Components and Adapters. These items are used to transport various weapons, pods and equipment.

### DEFENSE LOGISTICS AGENCY

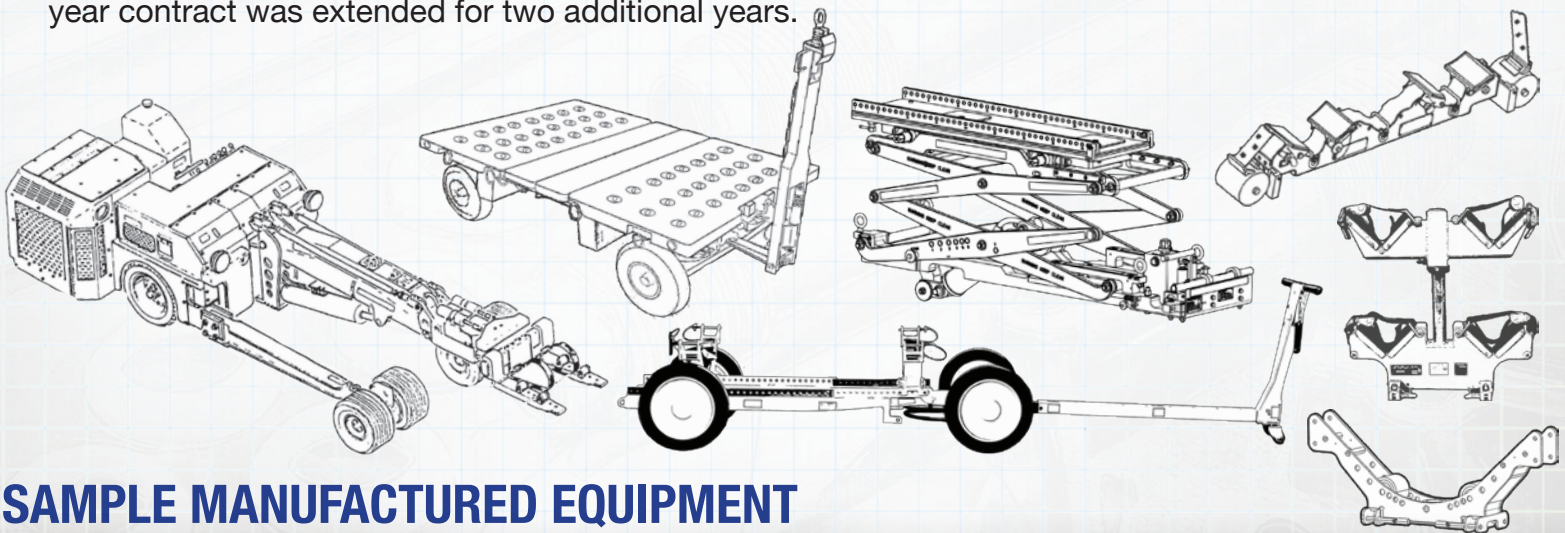

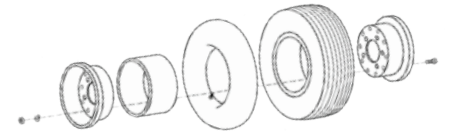

#### SPRMM-1-20-R-TA81

HUBZone Sole Source Contract to DeVal Lifecycle Support to manufacture and meet contract requirements for the MK45 Handlift Truck.

### NAVAIR

#### N68335-15-D-0010

This contract supplied CILOPS kits to the government to convert MHU 191/M Munitions Transporter into the Zero Maintenance MHU 191 A/M Trailer. This program was so successful that the original 5 year contract was extended for two additional years.
